Please refer to the [LME Market Data Services Agreement](#) for terms and conditions. Customers purchasing Licensed Data from the Historical Data Service are unauthorised to distribute the Licensed Data, or use the data for any other commercial purpose without the appropriate licensing, and are not permitted to use the Licensed Data in any legal proceedings (including steps pursuant to a pre-action protocol) without the written prior consent of the LME.

Description

The reporting period for daily stock movements in and out of LME registered warehouses is from 4.30 pm the previous day until 4.30 pm on the day to which the stock report refers.

The stock report is then published to the market daily at 9.00 am the following day. For example, the LME stock position as at 4.30 pm on 10th November is reported at 9.00 am on the 11th November.

This report provides an overview of the quantity of material (in metric tonnes) of LME approved brands currently held on warrant in LME approved warehouses.

This data is available to purchase from 2000 to 2019.
