Description

The Warrant Holdings Reports are published daily at 11.00 am UK time. They provide the Warrants held for each percentage bands by the LME member firms only.

The Warrant Holdings Cash shows the number of market participants with concentrations of LME Warrant holdings Cash Today ('Tom'), Cash and Cash plus one day positions as a percentage of live stock by contracts.

The Warrant holdings Tom shows the aggregate of a participant's LME warrant holdings and Cash Today ("Tom") positions as a percentage of total stock at close of business as of two days ago. The positions indicated may no longer be held.

The report provides data by commodity, bands and the number of warrants.

This data is only available to purchase from 2004 to 2016.

Below is a sample of the LME Primary Aluminium Warrant Cash Banding and warrant Tom Banding:
