

## the **MONTHLY** prompt

### **Independent nickel review findings**

Oliver Wyman's report into the events leading up to the LME's decision to suspend the nickel market on 8 March 2022 is now available to read.

We welcome the report which provides in-depth analysis and independent insights into the contributing factors as well as recommendations to reduce the likelihood of a similar event happening in future.

### **LME Board announcements**

We have announced a number of changes to the LME Board. Gay Huey Evans CBE will not seek re-election as LME Chair and will step down once a new Chair has been appointed.

In addition, Martin Fraenkel and Pierre Vareille will be appointed to the LME Board as independent non-executive directors in Q1 2023 – subject to FCA approval.

### **LME Mumbai Forum – 9 February 2023**

We are delighted to be hosting a free-to-attend conference for metals market participants in Mumbai, India, this February.

A mix of senior LME representatives and external speakers will host a number of sessions including the latest from the LME, the challenges and opportunities facing the metals community in the region and a free-hedging workshop! Sponsorship opportunities are available for the event too.

---

## LME sustainability and responsible sourcing

Monday 16 January 2023 is the deadline for submitting any feedback on some proposed amendments to the "LME Policy on Responsible Sourcing of LME-Listed Brands" and associated compliance documents. You can read more about this in [LME Notice 22/282](#) (opens PDF).

### Sustainability Market Insight articles

In case you missed them, here are a selection of Market Insight pieces from our excellent Sustainability Spotlight newsletter contributors:

#### **“Corruption in the Extractives Industry”**

Luca Maiotti – Policy Analyst, OECD

#### **“A Responsible Transition”**

Victoria Scott Attwood – Global Head of Compliance, Mercury Energy Trading SA

#### **“Greater Transparency in Sustainability Reporting”**

Aimee Boulanger – Executive Director, IRMA

**“Nature Positive”**

Carleigh Whitman – Director Environment, Teck Resources Limited

**“The Copper Mark – Responsible Production Practices”**

Michèle Brühlhart – Executive Director, The Copper Mark

## Trading activity report for December 2022

Our monthly report contains an overview of our base metal contracts with a snapshot of each metal including prices, volumes and warehouse stock movements.
