

To: All members, warehouse companies and their London agents

Ref: 22/198

Classification: Brands

Date: 10 August 2022

Subject: Delisting of NASAAC Brand FAK

Summary

1. Please note that no further deliveries of NASAAC brand FAK will be acceptable for warranting with effect from 10 November 2022.

Details

2. Once the stocks of NASAAC brand FAK are exhausted, it will no longer constitute good delivery against the Aluminium contract and will be delisted.
3. For clarification, the last day for warranting NASAAC brand FAK will be 9 November 2022 and if warrants are cancelled on or after 10 November 2022, it will not be possible to place the metal back on warrant either at the same warehouse company or at another warehouse company.
