

To: All members, warehouse companies and their London agents

Ref: 26/008

Classification: Brands

Date: 07 January 2026

Subject: **DELISTING OF PRIMARY NICKEL BRAND NICKEL HP**

Summary

Please be advised that no further deliveries of Primary Nickel brand NICKEL HP, produced by Sibanye-Stillwater Sandouville Refinery, will be accepted for LME warranting with effect from 07 April 2026.

Details

Once the stocks of NICKEL HP brand are exhausted it will no longer constitute good delivery against the Nickel contract and will be delisted.

For clarification, the last day for warranting NICKEL HP brand will be 06 April 2026 and if warrants are cancelled on or after 07 April 2026, it will not be possible to place the metal back on warrant, either at the same warehouse company or another warehouse company.
