## 1. Introduction

The LME's daily Off-Warrant Stock Report ("OWSR") gives a breakdown of off-warrant stock stored in LME registered sheds (and reported by warehouses) by metal and location. Access to LME's daily OWSR is available to subscribers via its Online Licensing Portal ("OLP")<sup>1</sup>.

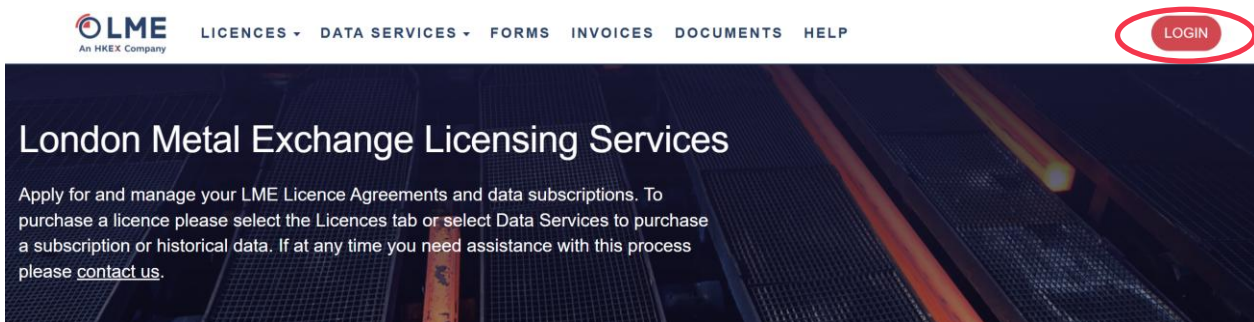

The purpose of this document is to guide customers through the subscription process on the OLP and to detail out the step-by-step process of accessing this data.

If you wish to learn more about the daily OWSR, please visit LME's website page [here](#) or reach out to [SPMsystems@lme.com](mailto:SPMsystems@lme.com) for more information and guidance.

## 2. Accessing the OLP

Customers can access the LME's OLP via any browser and register an account on the platform.

1. Go to <https://datalicensing.lme.com/> and click "Login".

2. If you already have an account, enter your email address and password to login. If you are new to the platform select "Register" to create a new account.
3. For new users signing up to the platform, you will be required to register an email address and password to create an account.

### Account Sign Up

Creating an account enables you to subscribe to our data services: LMElive, LME Next Day Delayed XML Feed or MiFID II Services, at [licences](#).

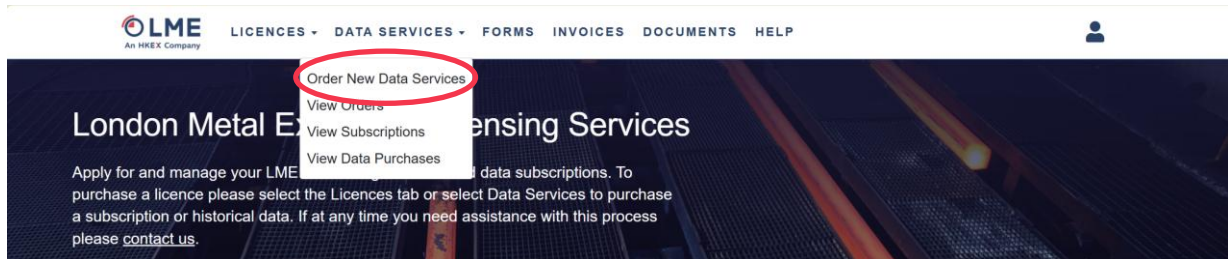

The screenshot shows the account sign-up form. It includes fields for 'Email', 'Password', and 'Confirm Password'. The 'Email' and 'Password' fields are circled in red. To the right of the 'Password' field, there are 'Password Requirements' listed: 'Must contain at least one upper and lower case letter and one number' and 'Must contain at least 8 characters'. Below the form are 'Create Account' and 'Cancel' buttons. At the bottom, there is a link: 'Already have an account? [Sign in here.](#)'

<sup>1</sup> This report became available 9am 1 April 2025.
