7 Transparency of fees statement

As required by Article 4 of the UK version of Commission Delegated Regulation (EU) (2017/573) (UK RTS 10), the LME has established its fees and fee structures in this Fee Schedule on the basis of: (i) Article 3, UK RTS 10; and (ii) the key objective criteria set out below:

(a) The operating costs associated with running the LME, including but not limited to personnel costs, technological costs and regulatory compliance costs.

(b) The fees shall be structured so as to be fair, transparent and non-discriminatory to all market participants.

(c) The LME shall take into consideration the feedback of market participants to determine the right and appropriate level of fees.

(d) The LME, where appropriate and reasonable to do so, shall take into consideration the trading venue fees of peer trading venues.

As required by Article 4, UK RTS 10, execution fees, ancillary fees, rebates, incentives and disincentives are set out, or linked to, in this comprehensive and publicly accessible Fee Schedule on the LME's website, as amended from time to time.

This Fee Schedule also meets LME Clear's obligations under Article 38(1) of UK EMIR insofar as they relate to prices and fees.

8 Fair and non-discriminatory fee statement

This Fee Schedule has been prepared pursuant to Article 3, UK RTS 10:

1) Trading venues shall charge the same fee and provide the same conditions to all users of the same type of services based on objective criteria. Trading venues shall only establish different fee structures for the same type of services where those fee structures are based on non-discriminatory, measurable and objective criteria relating to:
   (a) the total volume traded, the numbers of trades or cumulated trading fees;
